

Precise Manufacturing Solutions

////////

Custom manufacturing that is cost-effective, high-quality, has faster turnaround time, with on-demand access to a global supply chain.

INDUSTRIES WE CATER TO

Industrial Goods

Pumps & Valves

Locomotives

Mining & Construction Equipment

Automobile

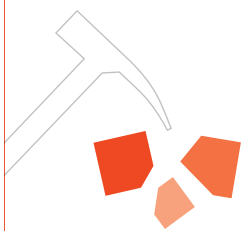

Agriculture

Aerospace & Defense

Sevenloop has
disrupted this
traditionally
uncertain industry.

JSB ALUMINIUM

Our ambition is simple; to bring any product you dream of to life. With a commitment to excellence, we strive for greatness—in processes, products, and impact.

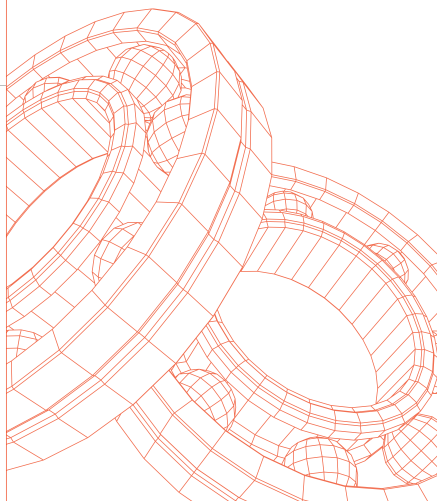

At SevenLoop, we're not just imagining a future of exceptional products that set new standards and enrich lives—we're creating it.

Our Capabilities

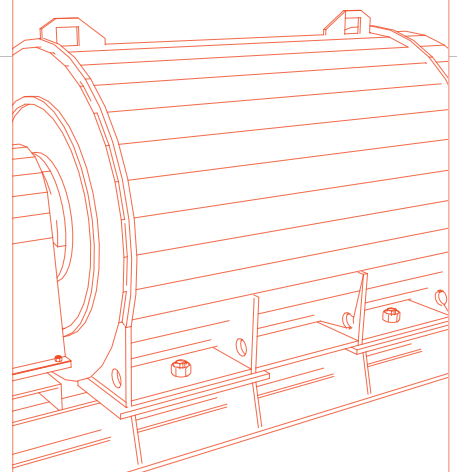

SAND CASTING

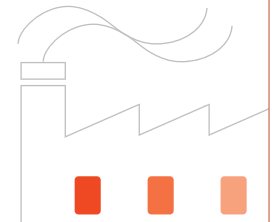

Streamlined
production for
precision and
timelines in high
volume sand casting.

SHELL MOULDING

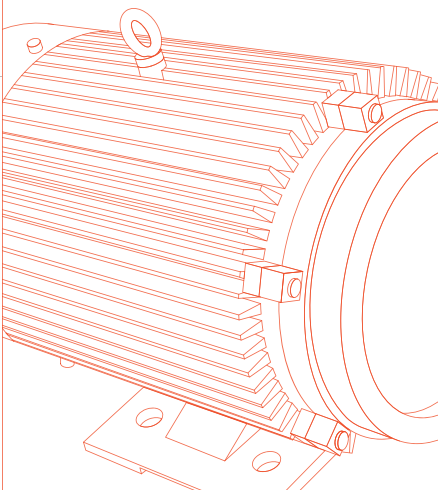

Durable, complex
castings with
superior surface
quality, tailored to
your needs.

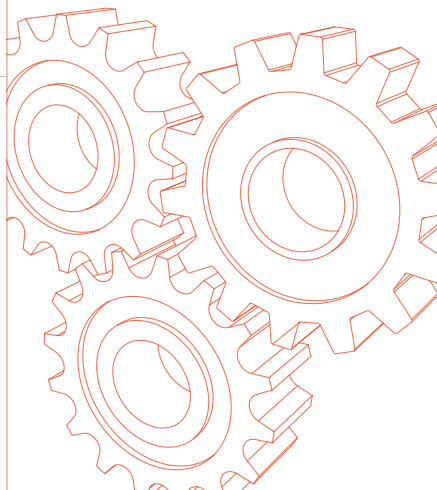

DIE CASTING

Flawless quality
backed by zero
defects and
maximum efficiency.

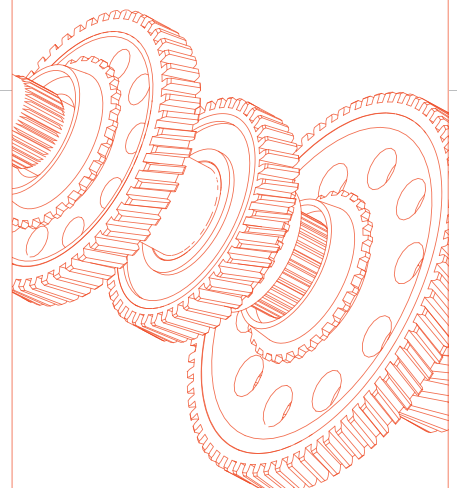

INVESTMENT CASTING

Achieve high
precision, top quality
and cost efficiency
at any scale.

CNC MACHINING

Rapid lead times and
cost-effective
solutions, for top-tier
quality every time.

From Design, To Delivery.
